D/I (continued):

providing the information requested. Complete answers may be expected within three to four weeks' time. Because of this lengthy, informal discussion of the various aspects of farm machinery production, it is expected that some very valuable "yardstick" data will be obtained. The Farm Implement Division has seven different plants under its jurisdiction. The data which it submits will be broken down where possible on the basis of each individual plant.  
(1 day) (25 Jan)

25X1A

D/M:

██████████ TALKED WITH Mr. Blair, MUNITIONS BOARD PETROLEUM COMMITTEE, REGARDING the review of the draft on the PETROLEUM SECTION OF NIE-56. (1/4 hr) (29 Jan)
